Terms and conditions

Incentive availability

Incentives are available for a limited-time-only and will be honored on a first-come, first-served basis according to the postmark date on the application. Check the program's Web site at www.pacificpower.net/hes to determine the current status of incentive availability. All equipment must be new and must be purchased and installed prior to submitting an Incentive Application, and must have been purchased and installed on or after April 19, 2008. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the incentive.

Qualifying customers

Residential customers who reside within the State of California and who purchase their electricity from Pacific Power on rate schedules D, DL-6, DS-8, DM-9 or NEM-35 are eligible to participate. Landlords who own rental properties where the tenant is billed on rate schedules D, DL-6, DS-8, DM-9 or NEM-35 also qualify for this program.

Qualifying equipment

Qualifying products and services may be found online at www.pacificpower.net/hes, or by calling 1-800-942-0266.

Application details

Pacific Power reserves the right to conduct random inspections to verify information provided on the application. If your application is selected for review, it will not be processed until the review is satisfactorily completed. Incentive qualifications and amounts are subject to change and termination at any time. Pacific Power customers should visit the program's Web site at www.pacificpower.net/hes.

Customer hereby transfers to Pacific Power all "Environmental Attributes" attributable to the Qualifying Equipment or its operation. Environmental Attributes include any and all credits, benefits, emissions reductions, offsets and allowances, howsoever entitled, resulting from the avoidance of the emission of any substance to the air, soil or water at or by PacifiCorp generating facilities through reduced generation of energy or other savings or offsets on account of the Qualifying Equipment. Customer will not claim ownership of any Environmental Attributes. As long as Customer at the same time states the Qualifying Equipment was made possible with funding from Pacific Power, Customer may claim that it is facilitating the production of the Environmental Attributes attributable to the Qualifying Equipment.

Pacific Power issues incentives in the form of checks not utility bill credits. Pacific Power is not responsible if your dealer provides inaccurate information about the amount and/or conditions of the actual incentive and Pacific Power will not pay incentives for equipment that is mislabeled or misrepresented by dealers regarding incentive qualifications. *Incentives are limited to one per qualifying household per equipment type except in the case of lighting fixtures and ceiling fans. A household may receive incentives on up to 10 qualifying lighting fixtures and ceiling fans.* Households receiving incentives under the Home Energy Savings Program may not receive equipment purchase and installation incentives under other Pacific Power programs.

Incentive applications must be submitted within 90 days of purchase or installation.

Keep a copy for your records. Please allow 6-8 weeks for your incentive check to arrive.
