Terms and conditions

Incentive availability

Incentives are available on a first-come, first-served basis according to the postmark date on the application. Check the program’s Web site at www.pacificpower.net/hes to determine the current status of incentive availability. To qualify, date of service must be on or after February 19, 2008. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the incentive.

Qualifying customers

Residential electric customers residing in the state of California who purchase their electricity from Pacific Power on rate schedule D, DL-6, DS-8, DM-9 or NEM-35 qualify. Landlords who own rental properties served by the company in the state of California where the tenant is billed on rate schedule D, DL-6, DS-8, DM-9 or NEM-35 also qualify for this program. Rate schedules can be found on utility bill or by calling 1-888-221-7070.

Qualifying equipment and services

Qualifying products and services may be found online at www.pacificpower.net/hes , or by calling 1-800-942-0287. Duct sealing incentive is available on existing equipment only and applies to duct systems in existing homes where the ducts are in an unconditioned space. An unconditioned space is any space outside of the thermal envelope of the building that is not intentionally heated for occupancy. Duct sealing incentive will not be paid if sealing the ducts is required by permit in conjunction with other work performed. Contractor must be a program qualified contractor. Please visit www.pacificpower.net/hes or call 1-800-942-0287 for additional information.

Incentive schedule	Consumer	Contractor
Duct Sealing	\$150	\$50

Application details

Pacific Power reserves the right to conduct random inspections to verify information provided on the application. If your application is selected for review, it will not be processed until the review is satisfactorily completed. Incentive qualifications and amounts are subject to change and termination at any time. Pacific Power customers should visit the program’s Web site at www.pacificpower.net/hes.

Customer hereby transfers to Pacific Power all “Environmental Attributes” attributable to the Qualifying Equipment or its operation. Environmental Attributes include any and all credits, benefits, emissions reductions, offsets and allowances, howsoever entitled, resulting from the avoidance of the emission of any substance to the air, soil or water at or by PacifiCorp generating facilities through reduced generation of energy or other savings or offsets on account of the Qualifying Equipment. Customer will not claim ownership of any Environmental Attributes. As long as Customer at the same time states the Qualifying Equipment was made possible with funding from Pacific Power, Customer may claim that it is facilitating the production of the Environmental Attributes attributable to the Qualifying Equipment.

Pacific Power issues incentives in the form of checks not utility bill credits. Pacific Power is not responsible if your dealer provides inaccurate information about the amount and/or conditions of the actual incentive and Pacific Power will not pay incentives for equipment that is mislabeled or misrepresented by dealers regarding incentive qualifications. Households receiving incentives under the Home Energy Savings Program may not receive equipment purchase and installation incentives under other Company programs.

Incentive applications must be submitted within 90 days of purchase or installation.

Keep a copy for your records. Please allow 6-8 weeks for your incentive check to arrive.
