

Pacific Power Home Energy Savings Program – Washington HVAC Contractors

Below is a list of HVAC contractors participating in Pacific Power’s Home Energy Savings program. This list is provided solely as a convenience to our customers.

Pacific Power does not warrant or guarantee the work performed by these contractors, and you are solely responsible for any contract with a contractor and the performance of any work.

NOTE TO CUSTOMERS: Some HVAC measures require a “program qualified contractor” who has completed specialized training. Please review the qualifications for each measure to determine whether or not a “program qualified contractor” is required.

HVAC contractors - program qualified contractors are indicated by an asterisk *.
